

Relay integrates with TMW Suite!

Benefits of the Relay + TMW Suite fuel integration:

- Time saving, automatic daily download of your Relay fuel and other transactions into your TMW Suite system
- Eliminates manual data entry by posting fuel transaction information to multiple TMW Suite modules, including General Ledger, Settlements, IFTA Fuel Tax and Accounts Payable
- Create automatic fuel GL expense entries, settlement deductions, fuel tax records and accounts payable vouchers

When you fuel with Relay you can:

- Reduce fraud with strict controls, monitoring, and innovative geofencing technology
- Take advantage of Relay's Clutch Program for discounted fuel, and use any existing discounts you directly negotiated with merchants
- Allow drivers to conveniently locate on-route truck stops and discounts from Relay's app
- Instantly enable digital payments across your fleet without lengthy activations

350,000+

carriers and drivers using Relay
